

TECHNOLOGICAL LEADER IN SPECTROSCOPY SINCE 1952

... YOUR ANALYSIS DESERVE OUR PERFORMANCES

An exceptional Optical and Mechanical Quality, which built our reputation more than 6 decades of excellence

An exceptional manufacturing quality for SAFAS instruments

Additionally to the compliance of our instruments to the most stringent requirements, their exceptional manufacturing Quality, with superb optics and mechanics, have made our reputation since 1952. Our new models are designed and manufactured with the same commitment to quality and long term reliability, and the free updates of software* are the guarantee of a very long term investment.

**(excepted participation to CD-Rom and shipment expenses/depending on software, please ask us)*
